For Insured Person and Dependents

Health Insurance Association for Amazon Japan Employees

## Influenza Vaccination Subsidy

Health Insurance Association for Amazon Japan Employees (HIA) is pleased to inform that you can take an influenza vaccination with subsidy.

### 1 Eligibility

Insured and their dependents as of the date of vaccination are eligible for receiving the subsidy, including insured and their dependents who are insured by voluntary continuation

If insured person is guided to receive vaccination at a company-designated hospital, you should give priority to taking vaccination at designated hospital. You do not need to apply this subsidy.

### 2 Effective period

Take an influenza vaccine from 1 Oct 2023 to 31 Jan 2024.

### 3 Subsidy amount

2,000 yen from Amazon HIA for insured and/or dependents each is subsidized.

Up to 3,000 yen from company for only insured person in addition to the subsidy from HIA (up to a total maximum of 5000 yen).

If you receive the subsidy from a municipality where you live, you can apply the expense excluding that.

### 4 Payment from HIA

Amazon HIA will wire-transfer the total subsidy amount (from HIA and the company) to your bank account.

### 5 Application procedures

In principle, electronic application from the HIA website.

If you cannot apply electronically, please apply by mail.

① Take the vaccination and pay at hospital. Please make sure to receive the receipt from the hospital.

↓

② Get application form from HIA home page (<http://www.kenpo-info.jp/>)

↓

③ Fill the application form and stick the receipt on the form, and send it to HIA. Please send it one time for all insured person or family if possible

↓

④ You need to send the application in one month from the day you take the vaccination. Amazon HIA cannot pay the subsidy for the application after 29 Feb 2024.
